ACGME Data Retrieval System

Data Files Available

The following datasets are available for the most recent five academic years. These data are consistent with the ACGME's annual snapshot of programs and institutions. These data files are intended for research purposes and do not include designated institutional official (DIO), program director, resident, fellow, or faculty member names or specific addresses.

ACGME-Accredited Programs

This is the list of ACGME-accredited residency and fellowship programs for the most recent five academic years. The legend below defines the program list data fields that can be found in the "ProgramListingAYXXXXXXXX.xlsx" data files. The first row (header) contains column names.

AcademicYearRange	=	The annual period of education and data reporting July 1 through June 30, yyyy-yyyy
ProgramCode	=	ACGME Program Code, 10 digits (including leading zeros)
SpecialtyNumericCode	=	ACGME Specialty or Subspecialty Code, 3 digits (including leading zeros)
SpecialtyName	=	ACGME Specialty or Subspecialty Name
IsSubspecialty	=	Identifies program as a specialty (0) or subspecialty (1)
ProgramName	=	ACGME-assigned Program Name
ProgramCity	=	City where the program is located
ProgramStateName	=	State where the program is located
ProgramPostalCode	=	Zip code where the program is located (including leading zeros; 5 digit or 9 digit, with or without dash)
ProgramAccreditationName	=	ACGME accreditation status of the program (status options changed with new policies implemented 7/1/2013)
ProgramAccreditationEffective	=	Effective date of the ACGME accreditation status, mm/dd/yyyy
ProgramOriginalAccreditationDate	=	Date the program first became accredited by the ACGME, mm/dd/yyyy (If the original accreditation date is blank, it is because the ACGME does not currently have this information)
SponsorName	=	ACGME Sponsoring Institution Name
SponsorCode	=	ACGME Sponsoring Institution Code, 6 digits (including leading zeros)
ProgramLengthofTraining	=	Program length of training in years
PositionsFilledTotal	=	Number of active residents (does not include residents starting off-cycle)

The following table summarizes expected counts for each academic year:

Academic Year Range	Count of Program Code	Sum of Positions Filled Total
2013-2014	9,527	120,108
2014-2015	9,645	121,599
2015-2016	9,977	124,409
2016-2017	10,672	129,720
2017-2018	11,214	135,326

ACGME-Accredited Sponsoring Institutions

This is the list of ACGME-accredited Sponsoring Institutions for the most recent five academic years. The legend below defines the sponsor list data fields that can be found in the "SponsoringInstitutionsAYXXXXXXXX.xlsx" data files. The first row (header) contains column names.

AcademicYearRange	=	The annual period of education and data reporting July 1 through June 30, yyyy-yyyy
SponsorCode	=	ACGME Institution Code, 6 digits (including leading zeros)
SponsorName	=	ACGME Institution Name
SponsorCity	=	City where the Sponsoring Institution is located
SponsorStateName	=	State where the Sponsoring Institution is located
SponsorPostalCode	=	Zip code where the Sponsoring Institution is located (including leading zeros; 5 digit or 9 digit, with or without dash)
SponsorAccreditationName	=	ACGME accreditation status of the sponsor (only sponsors in programs in more than one discipline were issued an accreditation status prior to new policies implemented 7/1/2013; if this field is blank it is because the ACGME did not issue a decision prior to that time or the sponsor was transitioning under the new policies)
SponsorAccreditationEffective	=	Effective date of the ACGME accreditation status, mm/dd/yyyy
AccreditedProgramTotal	=	Total number of sponsored ACGME-accredited programs
AccreditedPositionsFilledTotal	=	Number of active residents in sponsored ACGME-accredited programs (does not include residents starting off-cycle)

The following table summarizes expected counts for each academic year:

Academic Year Range	Count of Sponsor Code	Sum of Positions Filled Total	Count of Sponsoring Institutions with Sponsor Accreditation Name not NULL
2013-2014	728	120,108	716
2014-2015	751	121,599	737
2015-2016	792	124,409	792
2016-2017	821	129,720	821
2017-2018	830	135,326	830

Participating Sites for ACGME-Accredited Programs

This is the list of participating sites for ACGME-accredited programs for the most recent five academic years. The legend below defines the participating site list data fields that can be found in the "ParticipatingSiteListingAYXXXXXXXX.xlsx" data files. The first row (header) contains column names.

AcademicYearRange	=	The annual period of education and data reporting July 1 through June 30, yyyy-yyyy
ProgramCode	=	ACGME Program Code, 10 digits (including leading zeros)
InstitutionCode	=	ACGME Institution Code, 6 digits (including leading zeros)
InstitutionName	=	ACGME Institution Name
InstitutionCity	=	City where the institution is located
InstitutionStateName	=	State where the institution is located
InstitutionPostalCode	=	Zip code where the institution is located (including leading zeros; 5 digit or 9 digit, with or without dash)

The following table summarizes expected counts for each academic year:

Academic Year Range	Count of Program and Institution Relationships (Number of rows)	Count of Distinct Program Codes	Count of Distinct Institution Codes
2013-2014	27,416	9,527	4,687
2014-2015	28,025	9,645	4,858
2015-2016	29,290	9,977	5,189
2016-2017	31,735	10,672	5,884
2017-2018	33,872	11,214	6,575
